

FISH chitinolytic biowastes FOR FISH active and sustainable packaging material

FINAL EVENT

Invitation to a stakeholder workshop on an active and sustainable material based on bio-waste for fish packaging.

26th October 2022 at ANFACO-CECOPESCA, Vigo-Spain

Visit the Fish4Fish webpage: <http://fish4fish.dbcf.unisi.it/>

The workshop attendance is free. Limited places by order of registration:

<https://forms.office.com/r/m8Bah7WupC>.

FISH4FISH (EMFF/18/863697) co-funded by the EMFF programme of the European Union

Main auditorium of ANFACO-CECOPESCA

9.30-9.45 h **Registration**

9.45-10:00 h **Welcome**

10.00-10:25 h **Session 1:** Overview of the Fish4Fish project.

Dr Rebecca Pogni. Department of Biotechnology, Chemistry and Pharmacy.
Universita degli studi di Siena (UNISI), Italy.

10:25-10:50 h **Session 2:** Chitosan production and characterization

Dr Diego Méndez. Sustainability and Circular Economy. R&D Department.
ANFACO- CECOPESCA, Spain

10:50-11:15 h *Chitinases and Chitooligosaccharides (COS) production and characterization*

Dr María Fernández Lobato. Molecular Biology Department, Centre for Molecular
Biology Severo Ochoa (CSIC-UAM), University Autonomous from Madrid, Spain.

11:15-11:45 h Coffee break. Hall of ANFACO-CECOPESCA

11:45-12:10 h *Production of chitooligomers functionalized lignin nanoparticles.*

Dr Raffaele Saladino. Biological and Ecological Sciences Department (DEB).
Universita degli studi della Tuscia (UNITUS), Italy.

12:10-12:35 h **Session 3:** Development and characterization of prototypes for fish packaging

Dr Vanesa Martínez. TECNOPACKAGING, Spain.

12:35-13:00 h Modification of packaging prototypes

Dr Daniele Spinelli. NEXT TECHNOLOGY TECNOTESSILE srl
Società Nazionale di Ricerca Tecnologica, Italy

13:00-13:25 h Validation of fish packaging

Dr Ana G Cabado. R&D Department. ANFACO- CECOPESCA, Spain

FISH4FISH (EMFF/18/863697) co-funded by the EMFF programme of the European Union

13:25-13:50 h **Session 4:** Environmental Life Cycle Assessment and economic sustainability

Dr Sabina Jez. Department of Biotechnology, Chemistry and Pharmacy. Università degli studi di Siena (UNISI), Italy

13:50-14:00 h Closing remarks

14:00-15:30 h Lunch. Hall of ANFACO-CECOPECA

15:30-16:30 h Guided visit to the ANFACO museum, pilot plant and laboratories.
